***W.A.M Floors believes that to get the best out of your floor, you need the best equipment. That is why we will always look for equipment that not only gives our clients the best finish, but also gives us options, enabling us to work in a variety of environments.***

### ***DINGO POWER PLANER***

W.A.M Floors' Dingo Power Planer enables them to grind areas where there is no power available. With a hydraulic side shift and swivel, they are able to grind close to walls, corners and obstacles.

The Dingo Power Planer's robust design allows the toughest concrete removal process to be efficient, precise and highly productive in the toughest conditions.

The Dingo Power Planer

- exposes aggregate in concrete
- flattens uneven surfaces precisely
- smooth's out rough concrete surfaces
- removes all coatings, overlayments and mortars from concrete floors
- Removes glues and mastics from concrete floors

At W.A.M Floors, our priority is creating the floor surface that you want. For us to do this, we source the right equipment for the job.
