

W.A.M. FLOORS

TERRAZO & VINYL CONCRETE GRINDING & POLISHING

Supply & Installation

W.A.M Floors believes that to get the best out of your floor, you need the best equipment. That is why we will always look for equipment that not only gives our clients the best finish, but also gives us options, enabling us to work in a variety of environments.

DINGO POWER PROFILER

W.A.M Floors' Dingo Power Profiler enables them to grind areas where there is no power available. With a hydraulic side shift and swivel, they are able to grind close to walls, corners and obstacles.

The Dingo Power Profiler is designed for the bulk removal of concrete, ceramic tiles and epoxy mortar toppings.

The Dingo Power Profiler

- Removes up to 40mm per pass in concrete surfaces
- Prepares concrete surfaces for various coatings
- Removes ceramic tiles including underlayment in a single pass
- Removes epoxies, mortars and resins
- Many custom textured patterns available from 50 - 350mm

At W.A.M Floors, our priority is creating the floor surface that you want. For us to do this, we source the right equipment for the job.
