

W.A.M. FLOORS

VINYL & CARPET CONCRETE GRINDING

Supply & Installation

W.A.M Floors believes that to get the best out of your floor, you need the best equipment. That is why we will always look for equipment that not only gives our clients the best finish, but also gives us options, enabling us to work in a variety of environments.

FLOOR PREPARATION

W.A.M Floors' believes that a correctly prepared floor surface is vital in obtaining the best results from your floor both in appearance and longevity.

At W.A.M Floors, our priority is creating the best floor surface for your installation. For us to do this, we source the right equipment for the job.

With mechanical flooring removal, grinding of glues and residues from concrete to levelling floors mechanically we can minimise the amount of levelling products required to obtain the best surface for your installation.

We have the equipment to suit both large and small projects, we also have the knowledge from many years experience in the floor covering industry and access to the major suppliers to know the best products to use specifically for your floor.
