***W.A.M Floors believes that to get the best out of your floor, you need the best equipment. That is why we will always look for equipment that not only gives our clients the best finish, but also gives us options, enabling us to work in a variety of environments.***

### **HTC EQUIPMENT**

W.A.M Floors' has a fleet of HTC concrete Grinders and Vacuums that we use to produce beautiful concrete floors. These Grinders range from 240volt to 3 phase units in various sizes to suit different types of applications, big jobs or small. With our own 3 phase Generator we are fully equipped for most situations.

At W.A.M Floors, our priority is creating the floor surface that you want. For us to do this, we source the right equipment for the job.
