### **VINYL BATHROOMS**

Vinyl is an effective alternative to tiling and floorboards with W.A.M Floors stocking a full range of domestic and commercial vinyls.

Durable, realistic and low maintenance, vinyl can also be used as a stylish bathroom option.

W.A.M Floors uses a high grade commercial vinyl to enhance your bathroom, making it safer, lower in maintenance and more convenient for you and your family.

By eliminating tripping hazards, such as steps W.A.M Floors provides a safer and more accessible bathroom, benefiting the elderly, people suffering from disabilities and those with young children. A very popular and beneficial option in hospitals and age care facilities, it is now becoming increasingly popular in domestic homes.

W.A.M Floors vinyl bathrooms also prove to be lower in maintenance, by the elimination of tiles you will no longer have to spend hours scrubbing grout.

For those wanting a bathroom with a difference, W.A.M Floors has a wide range of colours, borders and patterns available to truly make your bathroom a feature in your home.

Your ideas become reality.
